CREATIVE MINDSET

PROJECT REFERENCE NUMBER 2021-1-PL01-KA220-YOU-000028766

:: ABOUT THE PROJECT

The “Creative Mindset” project wants to focus on 2 aspects that are combined. The first is creativity - creative problem solving, which will facilitate the process of boosting creativity. The second aspect is distance/digital learning which is a must in pandemics and after pandemic times.

The main aim of the project is to equip youth teachers and trainers, youth workers, leaders and educators in partnership countries (and by using e-learning tools in the European Union and worldwide) with tools and knowledge on how to deploy remote learning programmes, using creativity, creative techniques and a mix of technologies and how to combine it with relevant and end engaging content, a well-articulated instructional model, effective teaching presence and learner support.

:: PARTNERS

Solution Solidarité & Inclusion (France)
Globalnet (Poland)
Associação Check-IN (Portugal)

:: KOM IN POZNAN (POLAND)

The Kick-off meeting of the project was held in Poznan (Poland) during the period 10-11 May 2022. This meeting has been a concrete opportunity to get to know the partners better, analyzing the tasks carried out so far by each one as well as organizing the various activities foreseen throughout all the project. Specifically, partners discussed the finalization of the project result 1 (Handbook on creative mindset) and started to plan the project result 2 (Ready to use scenarios), which includes a series of 9 workshops (of 4 hours each) relating to the topic of creativity.

:: NEXT STEPS

Project partners are currently working on the development of the Project Result 2, which will be tested and analyzed over the next few weeks, in order to create the final version.

Partners have already set the dates for the next meeting, which will be held in Paris (France) from the 20th and 22th of November 2022.
