

:: TPM IN PARIS (FRANCE)

The partners had the opportunity to meet in the second TPM in the beautiful city of Paris (France), from the 20th till the 22nd of November 2022, hosted by Solution.

It was a very productive meeting, full of ideas for the upcoming months. We analyzed all the work carried out with reference to the PR1 of the project (Handbook on Creative Mindset), as well as the PR2 (Ready to use scenarios). In the framework of the PR2, each partner contributed with the creation of 3 workshops related to subjects and topics closely connected to the words of creativity and distance learning. It was a wonderful experience, a great pleasure to work with this professional and always available team.
